

Feb 24th & 25th

Our club, which was established in 1951, was built from hard work and dedication. MDTC is managed by members who are volunteers who have over 29+ years experience. Over the years the club has had some of the best dog trainers, and our members continually attend seminars to better their skills and abilities to educate the community. We visit nursing homes, schools and attend Barkfest, National Night Out and other events to promote the care and well being of pets. Our club solely maintains itself from our classes and donations from the public.

\$5 first run
\$4 additional runs
(same dog)
